### EDUCATION

#### Texas Christian University

BoSc in Computer Science

*Honors:* Chancellor's Scholar, Trustee's Scholar

Fort Worth, TX

May 2026

**GPA: 3.34**

### EXPERIENCE

#### IT Intern, Texas Christian University, Fort Worth, TX

January 2023 – Present

- Provided technical support to students and staff, resolving over 80 IT issues a semester to improve system efficiency.
- Assisted in managing and maintaining campus-wide IT infrastructure.
- Conducted software installations and updates, enhancing user experience and security compliance.

#### Team Leader, Everse, Johannesburg, South Africa

November 2021 - April 2022

- Led an entrepreneurial leadership project funded by ALA, focused on supporting remote African artists through affordable tech solutions.
- Served as a liaison between clients and the team, ensuring clear communication and alignment on project goals.
- Engaged over 30 artists in remote areas, providing innovative tools to promote their work and expand their reach.

#### Co-Founder, CodeInn, Sousse, Tunisia

December 2016 – November 2019

- Co-founded an initiative starting as small coding clubs, teaching foundational coding lessons and developing a basic technical curriculum.
- Managed a hackerspace and expanded the initiative to two additional regions, reaching over 300 children with short-term, self-directed coding lessons.
- Empowered over 300 kids to pursue their passion in technology through engagement with our programs.

### LEADERSHIP & ACTIVITIES

#### Student, African Leadership Academy, Johannesburg, South Africa

August 2020 - June 2022

- Participated in a prestigious leadership program that cultivates the next generation of African leaders through an intensive focus on leadership, entrepreneurship, and social impact.
- Completed a business and entrepreneurship-focused curriculum alongside Cambridge A-Level classes, acquiring practical skills in strategy, innovation, and leadership.
- Collaborated with peers from across the continent to develop and pitch innovative business solutions addressing social challenges.

#### National coordinator, BIL Non-Conference, Sousse, Tunisia

June 2017 – August 2021

- Organized regional events, facilitating networking and idea exchange for young leaders.
- Oversaw event logistics and team coordination, impacting over 1,000 participants.
